

Integrated Computational Materials, Process and Product Engineering – IC-MPPE 2024

Thursday 06 June 2024 - Friday 07 June 2024

Live Congress Leoben

Scientific Programme

IC-MPPE for Sustainable and Circular Economy for metallic materials

Accelerated materials design

Digital and green production

Digitalization and reliability of railway vehicles and tracks

Condition monitoring and condition-based maintenance

High-end material characterization methods

IC-MPPE for energy transport, storage and conversion

Hydrogen transport and storage

Electrical energy storage and conversion

Advanced materials and systems for smart electronics

Reliability of electronic-based systems

Sensor development
